Note: For reference only, subject to progress update

The above works are expected to have impact on the surrounding neighbourhood. The following mitigation measures will be implemented on site to minimize the impact: installing noise barriers to reduce noise and regularly sprinkling water to reduce dust.

We apologize for any inconvenience caused.

Should you have any enquiry or feedback, please contact Miss Lam (3917 2405 / pcomplex@hku.hk) for follow-up, thank you.

Yours sincerely,

Project Group of the Pokfield Campus Development

The University of Hong Kong
